La collezione Mate si amplia con un nuovo lavabo: il lavabo tondo con diametro 40 cm è ora ancora più funzionale grazie al piano integrato per la rubinetteria, che ne facilita installazione e utilizzo. La piletta, piatta ed integrata, esalta il carattere distintivo del suo design essenziale.

A new washbasin enriches the Mate gamma: the round basin, diameter 40 cm, is now even more functional thanks to the integrated tap deck, which simplifies both installation and use. The flat, built-in ceramic waste enhances the distinctive character of its clean, essential design.
